

Imrex Client Loyalty Program

The Imrex Client Loyalty Program provides your clients with one FREE dental product for every THREE Imrex dental products purchased. This program is open to any Imrex dental product, excluding toothbrushes, and does not limit your clients to the same product. For example, if your client buys two bottles of BreathaLyser Water Additive and one bottle of BreathaLyser Oral Gel, they qualify for one free Imrex dental product of their choosing.

How to complete the Imrex Loyalty Cards:

1. Write the date of first purchase, the client/pet name and your practice info on the reverse side of the card
2. At the time of each transaction, initial one of the teeth and indicate which product was purchased

3. Once your client has purchased three products, you can provide them with a free Imrex product of their choosing (they are not limited to the same product purchased, 4L bottles are excluded)
4. Fax the completed client loyalty card (as well as your practice contact information and distributor order code) to 905-333-0027 or scan and email to info@vetrex.ca, or contact your Vetrex Representative
5. Your replacement product will be sent to you with your next veterinary distributor order

Client loyalty cards are valid for 12 months from the date of first purchase, after this time they expire

Please do not hesitate to contact your Vetrex Representative should you have any questions regarding this program, or if you require additional supplies.
